

## News Release:

April 3, 2017

The Spay Neuter Veterinary Clinic, 5071 US Hwy #1, Suite C, Vass, North Carolina surpassed **60,000** surgeries in April 2017. The SNVC opened in 2008 and provides spay/neuter surgery for animal welfare groups and people without financial means for eleven counties in central North Carolina. Companion Animal Clinic of the Sandhills Foundation, a 501c3 organization, subsidizes the SNVC through private donations, grants, and fund-raising activities in the mission to reduce euthanasia through affordable spay/neuter. Congratulations to the hard-working staff and volunteers at the Spay Neuter Veterinary Clinic as they continue to provide this worthwhile service for people and animals in our community.
